## Independent Auditors' Report

To the Board of Trustees  
Suncoast Humane Society, Inc.

### **Opinion**

We have audited the accompanying financial statements of Suncoast Humane Society, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Suncoast Humane Society, Inc. as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Suncoast Humane Society, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Suncoast Humane Society, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Suncoast Humane Society, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Suncoast Humane Society, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Report on Summarized Comparative Information**

We have previously audited Suncoast Humane Society, Inc.'s 2022 financial statements, and we expressed an unmodified opinion on those audited financial statements in our report dated January 10, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

**Note 1 - Summary of Significant Accounting Policies**

Organization and Purposes

The Suncoast Humane Society, Inc. (the Organization) was founded in 1971 as the Animal Aid Society of Englewood; became incorporated with the State of Florida on October 12, 1987; and changed their name to Suncoast Humane Society in July 1999. The Organization is a regional resource for animal care and protection throughout SWFL, Puerto Rico, and beyond.

The Organization's purposes are:

1. Saves animals, through a bricks-and-mortar shelter, foster families, and Positive Alternatives to Shelter Surrender (PASS).
2. Provide preventative care such as low-cost spay and neuter, vaccinations, and other care to prevent pet overpopulation and illness.
3. Respond to community needs by implementing outreach and education programs and services such as pet therapy, pet food bank, behavior training and creative initiatives to positively influence the human-animal bond.
4. Operate managed intake animal care center with outreach to animals most at risk throughout our region.
5. Provide a lost and found service for community pet owners.
6. Offer humane education to encourage all individuals from children to seniors to bond with animals.
7. Provide low-cost veterinary service for pets belonging to low or fixed-income individuals.
8. Encourage foster care and adoptions to reduce shelter populations.

The Organization provides a comprehensive range of animal aid services including operation of a humane society, animal shelter, preventive health clinic, thrift stores, satellite adoption centers, community outreach and humane education programs, pet therapy programs, and disaster recovery response efforts during hurricanes and severe weather events.

Basis of Accounting

These financial statements have been prepared using the accrual basis of accounting; and, accordingly, reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The Organization has adopted Financial Accounting Standards Board (FASB) Accounting Standard Codification topic 958, *Financial Statements of Not-For-Profit Organizations*. This topic was updated in August 2016 by ASU 2016-14 to clarify reporting for financial periods after December 15, 2017. As a result, the Organization's net assets are classified as (1) with donor restrictions or (2) without donor-imposed restrictions.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Notes to Financial Statements**  
**December 31, 2023 and 2022**

---

**Note 1 - Summary of Significant Accounting Policies (continued)**

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers highly liquid investments available for re-investment as short-term investments rather than cash on hand.

Investments

Investments in marketable securities with readily determinable fair values are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by donors are reported as increases in net assets without donor restrictions if the restrictions are met (either by the passage of time or by use) in the reporting period in which the income and gains are recognized.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

The Organization collected capital donations when acquiring additional land. The Organization initiated a large Shelter Me Capital Campaign in 2018 and began actively seeking donations and pledges. These funds are restricted for the construction of a new building by donors and are not available for operating purposes. Management monitors pledges and does not consider any specific pledges as uncollectible pledges as of December 31, 2023.

Inventory

The Organization maintains an inventory of donated items that are sold in their thrift store locations. Donated items for the thrift stores are not included in inventory cost.

An inventory of medicine is purchased for use at the onsite clinic and is valued at cost.

Property and Equipment

The Organization capitalizes acquisitions of property and equipment in excess of \$2,500. Lesser amounts are expensed. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as contributions without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets with explicit restrictions regarding their use and contributions of cash that must be used to acquire such property and equipment are reported as contributions with donor restrictions. Absent donor stipulations regarding how long those donated or acquired assets must be maintained, the Organization reports expirations of donor restrictions when the donated property is placed in service. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Property and equipment are depreciated using the straight-line method over estimated useful lives ranging from five years for furniture and vehicles to thirty years for buildings.

Revenue Recognition

The Organization receives revenue from a variety of sources, including: contributions and grants from individual and corporate donors as well as legacy bequests; revenue from outreach programs and special events; revenue from its animal care center from adoption fees, boarding fee, and licensing fees; revenue from veterinary services, medications and spay/neuter program fees; proceeds from sales of donated items at the thrift store locations; and investment income from dividends, interest, and realized and unrealized capital gains.

Donated Services

Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by the donation.

The Organization generally pays for services requiring specific expertise and has more than four hundred volunteers who perform a variety of tasks. There were no contributed services meeting the requirements for financial statement recognition, and as such, the fair value of these volunteer services is not reflected.

Functional Allocation of Expenses

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation according to the economic benefits received by incurring those expenses. The expenses that are allocated include compensation and benefits, which are allocated on the basis of time and effort; occupancy, utilities and depreciation, which are allocated on a percentage based upon square footage; and other costs such as interest expense and supplies, which are allocated by estimated percentage used. Management must review allocations to ensure they are reasonable and consistently applied.

Marketing and fundraising expenses include the cost of managing the capital campaign.

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is classified by the Internal Revenue Service as other than a private foundation.

Fair Value Measurements

The Organization reports investments using FASB Accounting Standard Codification 958, Accounting for Certain Investments Held by Not-For-Profit Organizations. Under this topic, investments are valued at their fair market or appraised value on the statement of financial position; unrealized and realized gains and losses are reflected in the statement of activities. The Organization invests primarily in stock and bond mutual funds and cash equivalents held at two institutions. The cash portion of the investment portfolio is reported as short-term investments on the Statement of Financial Position.

**Note 1 - Summary of Significant Accounting Policies (continued)**

The Organization groups investment assets generally measured at fair value in three levels based on the markets where traded and the reliability of the assumptions used to determine fair value.

Level 1- Quoted prices for identical instruments in active markets.

Level 2 - Quoted prices for similar or identical instruments in active markets or non-active markets or other significant observable inputs.

Level 3 - Valuations derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable.

**Reclassifications**

Certain amounts in the prior year's financial statements have been reclassified for comparative purposes to conform to the presentation in the current year's financial statements.

**New Accounting Pronouncements**

The FASB issued ASU 2016-02, Leases (Topic 842), which replaces existing lease accounting guidance. The new guidance is intended to provide enhanced transparency and comparability by requiring lessees to record right-of-use (ROU) assets and corresponding lease liabilities on the balance sheet for all leases with the terms exceeding twelve months.

As part of the transition to ASC 842, the Organization used the modified retrospective approach to measure and recognize leases that existed at January 1, 2022. The Organization elected to apply ASC 842 retrospectively at the beginning of the period of adoption through a cumulative effect adjustment as of January 1, 2022.

For leases existing at the transition date, the Organization applied the package of three transition practical expedients and therefore did not reassess whether an arrangement is or contains a lease, did not reassess lease classification, and did not reassess what qualifies as an initial direct cost. Additionally, the Organization applied the practical expedient to use hindsight for the purpose of determining the lease term. The Organization applied the short-term lease exemption of not recognizing a ROU assets and lease liability for leases that have terms of 12 months or less.

Upon adoption, the Organization recognized right-of-use assets and corresponding lease liabilities of \$3,944,931 for all qualifying operating leases. This represents the present value of the remaining lease payments of approximately \$4,701,093, discounted using the elected risk-free borrowing rate of 1.55 – 2.05%.

In 1982, Charlotte County sold 1.15 acres of land at 6781 San Casa Blvd., Englewood, FL, to the Organization for the purpose of housing an animal shelter. The deed to 6781 San Casa Blvd had a restriction that the premises must be used for an animal shelter and no other purpose. The deed also indicated use of the land for any other purpose would terminate the conveyance and allow Charlotte County to take possession of the premises.
